COMPETITIVE SWIM CLUB**

69 Acton Blvd, Acton On  
L7J 2H4

# ABOUT US

---

The Acton Aqua Ducks Swim Club was founded in 1987.

Today, the Club has between 40-50 swimmers in all levels and is growing every year. Our coaches provide a full range of expertise and experience to ensure that our swimmers not only have the best opportunity to excel but have fun as well!

The Ducks swim at the Acton Indoor Pool located in the MSB Middle School. The Club's programs follow the school year with three sessions being offered - Fall, Winter and Spring. Our swimmers compete in local and provincial meets, and also host an in house meet for our younger swimmers who want to gain experience in the competitive level but might not be ready to take the next big step.

The Acton Aqua Ducks are a "Not for Profit" organization. Supported by a strong parent/guardian group. We rely on fundraising and sponsorships to ensure service can be offered at the best possible price.

An investment in the Aqua Ducks is an investment in our young people and our community. Sponsorship opportunities are available as a businessperson or individual. You will have the satisfaction of knowing your support helps fund coaching staff, reduce enrolment and travel fees and provides the opportunity for the young people of Acton to lead a healthy, active lifestyle.

The Aqua Ducks want to ensure any support will be celebrated and are proud to be part of Acton's amazing community!
